

Privacy Policy

This website and its services are operated and provided by 767 Media trading as seven67.com and is committed to protecting the privacy of its clients and website users. This privacy policy applies to all clients and users and to the websites managed by seven67.com.

What information is collected and how is it used?

We ask you to supply certain information when you sign up with us as a client. This information can include your name, the name of your business (if applicable), your postal address, email address, telephone/mobile numbers, fax number (if applicable) any instant messaging you use (if applicable) and how you heard of us. This information will be used in the management of our own database and to enable us to contact you about the service you have requested (for example, to confirm the purchase of prepay sms alerts or to inform you of the need to top up your sms alerts). We may also use your email address or mobile number to send you our regular seven67.com newsletters by email or text/picture message, see "Newsletter Subscriptions" below. In addition, when you use our website we store your IP address and may use this information to administer our website and help to diagnose any network or server problems.

Do we share your information, data or messages with anyone else?

Seven67.com will not, without your consent, divulge, sell, lease, rent or provide in any other way your personal information or any of your mobile data, numbers or messages to a third party, except in the following circumstances:

- in order to send or receive your sms text or mms picture messages, in which case we need to pass your mobile phone numbers and messages only to our upstream sms/mms gateway partners. The contract we will always seek to create with them will stipulate that they only use such data for the purpose of sending these sms or mms messages and will not pass on your numbers, messages or data to other parties. We are not responsible for the privacy policies of third parties.
- we may use other third party, unaffiliated, companies to help us maintain and operate our website or for other reasons related to the operation of our business, and those companies may receive your personally identifiable information or your sms data, messages and numbers for that purpose. The contract we will always seek to create with them will stipulate that they only use such data for the specific purposes agreed between us. We are not responsible for the privacy policies of third parties.
- if required to do so by law or by any organisation with appropriate authority.
- if you have signed up for optional services which require us to pass your personal information to another company (see "Optional Services" below).
- to any financial institution with whom we hold an account for the purpose of verifying credit status and/or validating financial transactions.
- as our business develops, we may sell or buy corporate assets, and in such transactions customer information may be shared with third parties and become one of the transferred business assets.

Credit Cards

Credit card payment for our services is processed by our secure payment service provider Stripe. By using Stripe, no card details are passed to or shared with seven67.com, they are all processed within Stripe.

Newsletter Subscriptions & Client Communications

From time to time seven67.com will send client communications to those clients who have purchased services or products from seven67.com (this does not include signing up for and using any free services or products). Clients may opt in or out of these newsletters at any time by contacting seven67.com at hello@seven67.com.

From time to time seven67.com will send client communications by email or text/picture message to those clients who have signed up for free services or products from seven67.com. It is a requirement of being a "free service or product" seven67.com client that you always receive these emails and text/picture messages so that seven67.com can keep you fully informed about current and new services or products. seven67.com also reserves the right to include advertising for other seven67.com services or products.

From time to time seven67.com may send newsletters to other people who aren't clients who have opted to be included on our newsletter. Anybody may opt in or out of these newsletters at any time by contacting seven67.com at hello@seven67.com.

Optional Services

From time to time seven67.com will offer additional services to our clients. In some cases these services may require us to pass personal data held by us to a third party. Any such service will be optional and the opt-in process will clearly show that personal data will be shared with another company.

Links to Other Sites

Our websites may contain advertising and links to other websites. No personal information is passed to other websites if you follow one of these links. Seven67.com is not responsible for the privacy practices or content of linked websites. We would encourage you to read the privacy statements of other websites, since their privacy policy may differ from ours.

Changes to Personal Information

If you need to change the information that we store about you, for example because you have moved or to correct an error, please login to the relevant dashboard or control panel or email seven67.com at hello@seven67.com.
